Asunto: RE: Solicitud de Colaboración Caso 285/2025 - FBB 6755/2024
Datos adjuntos: Captura.pdf

Estimados/as, buenos días y gracias por su contacto.

En principio les indicamos que no tenemos registro de investigaciones por casos similares

A partir de la testimonial del denunciante tendrán datos de interés para ver cómo se hacía el pago y como fue la interacción con la cuenta de WhatsApp. Respecto de eso, podrá exportarse la conversación siguiendo estas instrucciones https://faq.whatsapp.com/1180414079177245/?locale=ca_ES&cms_platform=android

En segundo lugar, pese a que han pasado ya varios meses, la web sigue activa (su información de registro puede verse aquí <https://whois.domaintools.com/web.app>) con lo cual sugerimos solicitar al juez del caso que ordene el bloqueo del acceso a la web por parte de los usuarios argentinos (con base en el art. 183 C.P.P.) lo que se materializa enviando un oficio al ENACOM para que comunique a todas las proveedoras de servicio. Si bien puede solicitarse a los proveedores extranjeros información acerca de cómo se registró la web y quien paga por su alojamiento, deberá hacerse por solicitud de asistencia internacional.

Sin embargo, sugerimos desde ahora darle intervención tal juez para solicitar, también, los registros de llamadas (y especialmente la activación de antenas) de la línea mencionada por el denunciante.

Cordialmente.
